THE LATEST AXON EVIDENCE RELEASE

New for the June release – Case-insensitive keyword search within transcripts, new evidence filter to view by upload source, ability to launch Axon Investigate directly from Axon Evidence, and more.

The June release is scheduled for June 26, 2024.

See the **Full Release Notes** PDF for details, including a list of resolved issues. The Axon Evidence Maintenance Schedule lists the updated schedule times for your region. We don't anticipate any downtime.

The June Axon release is coming soon. Below is a high-level look at the changes, along with a link to the complete release notes with more details.

Take me to the release notes

What's new in Axon Evidence this month

New for the June release -

- End-of-Life for Legacy Sign-In
- Enhanced Multi-Factor Authentication Experience
- **Axon Audit Trails** - UI improvements
- **Axon ViewXL** - Disable Embedded Browser
- **Axon Interview** - Improvements to the login experience, live-streaming compatibility, and synchronizing evidence retention categories
- User upload evidence source filters
- **Axon App** - UI changes and playback controls optimization
- Upload XT and XTMT solution

Auto-Transcribe updates
- **Axon Investigate** - Axon Evidence and Investigate bridging, timeline options, and searching functionality.
- **Axon Justice** - Trusted upload, sensitive content masking, and bug fixes.

Other Axon product updates
See the full release notes PDF for details on the following items.

- **Axon Body 3 & Axon Body 4** - firmware updates
- **Axon Dock** - Localization support
- **Axon Fleet** - firmware updates
- **Axon VR** - Introducing a Handgun VR Controller and Virtual Reality-Based Live Action Training for enhanced, realistic training scenarios in Axon VR.
- **Axon ALPR** - UK organizations can now utilize Axon Fleet 3's ANPR feature, fully compliant with National ANPR Service standards, to enhance real-time law enforcement capabilities through advanced vehicle and office components. Organizations can opt to upload ANPR Records to Evidence.com.
- **Axon Academy** - Language support
